PRODUCT DETAILS

Discover the indispensable kitchen companion: the Cuisinart 4 Cup Rice Cooker. Simplifying the art of rice cooking ensuring perfect results every time and freeing you from the hassle of constant monitoring. In a world where time is precious, this rice cooker is your time-saving hero, effortlessly handling the rice cooking process while you focus on other tasks.

With built-in steam tray, you can cook more than just rice and prepare an entire meal with ease, like

steamed vegetables and tender meats, all ready simultaneously.

Equipped with intuitive features like a traditional lever control with warm and cook settings, as well as warm and cook indicator lights, this rice multi cooker takes the guesswork out of meal preparation. Once your rice is perfectly cooked, the appliance automatically switches to Warm mode, keeping your dishes hot and ready to serve.

With its sleek square shape and brushed stainless steel finish, this appliance adds a modern touch to any kitchen countertop. The chrome-plated handles not only provide a stylish accent but also remain cool to the touch for safe handling. The tempered glass cover with a stainless rim and chrome-plated knob adds durability and style, while the retractable cord storage keeps your countertop clutter-free when not in use.

Cleanup is a breeze, thanks to the nonstick coating and steam vent, which helps prevent splattering and mess. Plus, the included stainless-steel steaming basket, non-stick cooking bowl, glass lid, paddle, and measuring cup ensure you have everything you need to get started right away.

From fluffy grains to tender meats and vibrant vegetables, experience the convenience and versatility of the Cuisinart® 4 Cup Rice Cooker.
